## Welcome to Jacques' Brasserie

The menu and decor at Jacques' Brasserie are a special tribute to my father, François Hearinger, who opened the original Chez François in Washington D.C. in 1954. Many of the recipes I use here at the brasserie come from a notebook of handwritten recipes my father brought with him when he first moved from France to the United States. The dining room is furnished with hand-painted, ceramic-topped tables that Papa had built, in the Alsatian style many years ago. The copper on the walls comes from my father's vast collection of traditional copperware and the wall behind the banquette and Jacques' Bar Rouge are upholstered in red paisley fabric that my father purchased in large bolts on a trip back to France. These items are part of my family's heritage and the legacy of L'Auberge Chez François.

**My wish is for you to experience the best of traditional Alsatian cuisine  
on your next visit to Jacques' Brasserie.**

**Chef Jacques Haeringer**
